November 2017

Dear Parents/Carers

**YEAR 13 PARENTS' EVENING**

There will be a Parents' Evening for all Year 13 students on **Wednesday 06 December 2017** from **5.30 to 8.00pm**. This is an opportunity to discuss the progress of your child with individual subject teachers and how we can all work together to ensure that everyone is meeting their full potential in such a crucial year of studying.

There will be a system of appointments of 5 or 10 minutes duration depending on what is mutually agreed between the students and the staff concerned.

Yours sincerely

*A James*
