November 2018

Dear Parents/Carers

**Year 10 Parents' Evening – Thursday 29 November 2018 5.30-8.00pm**

There will be a Year 10 Parents' Evening on **Thursday 29 November 2018 from 5.30 to 8.00pm**. This is an opportunity for you to discuss your child's current progress with their subject teachers. Students in Year 10 have now completed a substantial part of their GCSE courses, and taking time to understand the demands students face in the coming months is essential if you are to effectively support them towards achieving their potential next summer.

We will be using an appointment system and you are invited to discuss with your child which of their teachers you wish to see. **Students should then make appointments with the appropriate teachers on the enclosed appointment sheet.** It would be appreciated if discussions could be limited to a **maximum of 5 minutes** and if time to move between appointments could be included in your schedule.

By the time of the Parents' Evening you will have received one summary interim reports, enabling you to track the progress the students are making towards their targets. You will then receive a formal written report in the Summer Term which will comment on progress throughout the year. It is our expectation that students should, as a minimum, achieve the targets that they have been set in each subject and should be aiming to exceed them whenever possible.

There are increasing concerns about students missing teaching, and sometimes examinations, through family holidays taken in term time and we strongly advise against making such arrangements. Students will not make the progress expected of them unless they are in school regularly; past experience would indicate that successful students will have attendance of 95% or better.

On arrival please enter the school through the Performing Arts entrance, sign in and pick up a map to locate teachers. The Parents' Evening will also include the opportunity to complete a questionnaire (used to inform the development of our school).

We hope that you are able to attend and look forward to seeing you on Thursday 29 November.

Yours faithfully
