

A message from our Student Leaders...

We are so, so proud of the work that our School Council have been putting in over the past 5 months. We hope that you all enjoyed our assemblies last week and have been inspired to get involved and support us with our next few events!

- Will, Hollie & Matthew

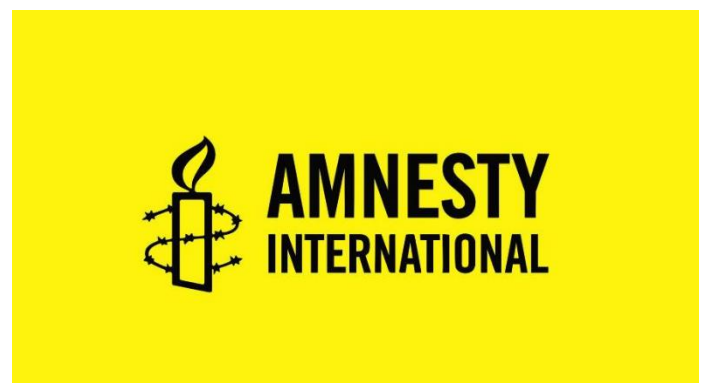

Charity updates...

Following on from our impressive £505.46 fundraiser for Eden Valley Hospice, we will be hosting our next fundraiser on Friday 2nd February. This will be a sports themed challenge to raise money for Amnesty International.

We invite any student in this school to come along to the fitness suite at lunchtime on Friday 2nd, and complete as many chin-ups as possible in 60 seconds. Whoever does the most will win one of the following prizes:

- Voucher for one free haircut at Rusty Barbers, Carlisle
- £20 in restaurant vouchers
- A hamper of chocolates/confectionary

School Council members will be going round the forms selling raffle tickets, as well as selling them at Student Services at break and lunch on the Friday. All money going to Amnesty International!

Teaching and Learning Updates...

Matthew Watson is currently organising 6th Form buddies for students in Y7 and Y8 to help them with any school work. Buddies will meet once per week in form and if agreed by the classroom

teacher may be in lessons as well! If you are in Y12 or Y13 and are interested in this, please pass your name onto Matthew Watson ASAP!

Caldew Ambassadors updates...

Hollie Tweedie and our Ambassadors were helping out at the Y11 Parents Evening on Wednesday night – we showed parents around, greeted them at the door and served tea and coffee to teachers as they met with parents. They are also looking for any volunteers for Caldew School News. If you are interested in journalism or helping them out, please go to D2 at lunch time on a Monday! Alternatively you can speak to Mr Beedie or Hollie Tweedie!
