

February 2024

Dear Parents/Carers

Year 9 Parents' and Options Evening –Thursday 8 February 2024 5.00pm - 7.30pm
(First presentation will be at 4.45pm)

I am writing to invite you to our Year 9 Parents' and Options Evening on **Thursday 8 February**. This evening is a crucial step in the options process that takes place this year and it will give you an opportunity to discuss your child's targets and current progress with members of the teaching staff. You will also have the opportunity to attend a short presentation where we will explain our options process and provide guidance to help you support your child.

Information about each option subject will be shared in assemblies during the week beginning 29 January. Students will be given their personalised option booklet on Friday 2 February, Option forms must be handed in (at student reception by Tuesday 20 February, there are limited spaces in some subjects so an early return is advised).

We will be using an appointment system and you are invited to discuss with your child which of their teachers you wish to see. **Students should then make appointments with the appropriate teachers on the attached appointment sheet.** It would be appreciated if discussions could be limited to a **maximum of 5 minutes** and if time to move between appointments could be included in your schedule.

There are also various subjects on offer that will not have previously been studied at KS3. In order for students and parents to be able to make their choices, teachers from these subjects will be available for you to speak to in the **main corridor**.

On arrival please enter the school through the Performing Arts entrance, sign in and pick up a map to locate teachers.

We hope that you will be able to meet the teaching staff at the Parents' Evening and look forward to welcoming you to school.

Yours sincerely

C Atkinson
