Policy legally required

Reviewed under Finance & General Purpose Committee

Reviewed annually

Adopted: July 2020

Next review: July 2021

No person should be denied the opportunity to be part of the Governing Body for financial reasons.

Allowances for travel and subsistence should be available to governors of the school when on business authorised by, and carried out on behalf of, the Governing Body of Caldew School, other than Governors' Full Board and Committee meetings.

Prior consent must be obtained from the Chair of Governors before participating in events that would result in the payment of travel and / or subsistence allowances.

It is the intention of the Governing Body that expenses should be made available to lay and independent members serving on Appeals Committees.

Examples of eligible expenses necessary incurred are:

Travel and subsistence (see details below)
Child care or babysitting expenses
Support for Governors with special needs (e.g. audio equipment)
Telephones charges, photocopying, stationery etc

This is not intended to be an exhaustive list.
