June 2019

Dear Parents / Carers

Aspatria and Wetheral Comparison – Friday 5 July 2019

We are intending to take a party of Year 12 students to Aspatria and Wetheral on Friday 5 July. To carry out human fieldwork for the A-Level Geography course. This trip falls into category, b, under the governors' trips and visits policy, in which (a) is essential to a course of study, (b) is a relevant enhancement to a course of study, but is not an essential part of it and (c) is providing a general enrichment experience. The full policy is available for inspection from school.

We will be leaving school at 9:00am. Upon the return to school we will work till approx. 5:30pm. Outdoor clothing, suitable footwear, protective sun cream, waterproofs and a packed lunch will be required.

The school relies on the voluntary support of parents in making such activities possible. Subject to there being sufficient funds available to cover the costs, we hope to provide the visit outlined above. The suggested contribution for this visit is £5. Please indicate on the tear-off slip if you wish your child to take part and are willing to contribute £5, which will cover the cost of the journey, fieldwork equipment maintenance, booklet and school insurance. Details of the insurance policy are available from school should you wish to see them.

Please complete and return the attached slip as soon as possible before Friday 21 June.

If you have any queries about the visit please do not hesitate to get in touch with me.

Yours sincerely

S Atkinson

Wetheral Aspatria Comparison – Friday 5 July 2019

I agree that my child should take part in the visit and am willing to contribute £5. I will make arrangements for the safe collection of my child from school at approximately 5:30pm.
