Staffing & spread of Covid-19 virus	Serious respiratory illness, death	All building users including staff, catering, cleaning & site staff, contractors/ maintenance personnel	High	<input type="checkbox"/> Implement all advice and communicate to staff and contractors. Currently any person developing a new continual cough, a temperature in excess of 37.8°C or loss or change of smell or taste whilst at work must be sent home and advice re self-isolating offered. Staff who have symptoms must inform Headteacher. Staff will be offered a test. https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection <input type="checkbox"/> Staff have been asked to declare any underlying medical conditions and/ or pregnancy. Those in a high-risk group (as defined by the PHE advice) are advised to seek advice from NHS 111 or GP practice. <input type="checkbox"/> Staff, who are clinically extremely vulnerable or in the vulnerable category will have an individual risk assessment that is reviewed regularly. Individuals should be offered the safest available on-site roles, staying 2 metres away from others wherever possible, although the individual may choose to take on a role that does not allow for this distance if they prefer to do so. If they have to spend time within 2 metres of other people, school must carefully assess and discuss with them whether this involves an acceptable level of risk. <input type="checkbox"/> If a member of staff lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), including those who are pregnant, they can attend their education or childcare setting. <input type="checkbox"/> If a staff member lives in a household with someone who is extremely clinically vulnerable will have an individual risk assessment that is reviewed regularly. Individuals should stay 2 metres away from others wherever possible, although the individual may choose to take on a role that does not allow for this distance if they prefer to do so. If they have to spend time within 2 metres of other people, school must carefully assess and discuss with them whether this involves an acceptable level of risk. <input type="checkbox"/> Staff who live alone and have symptoms of coronavirus illness (COVID-19), however mild, stay at home for 7 days from when their symptoms started.	<p>Check staff daily for symptom by observation. SLT to send any staff home showing symptoms</p> <p>Training for staff on what symptoms to look out for.</p> <p>Regular reminders about symptoms</p> <p>The Local Authority has produced specific guidance and advice on what to do if someone becomes ill</p> <p>Questionnaire to staff to identify any underlying medical conditions done</p> <p>Isolation room will be D4 and students will use the disabled toilets</p> <p>Letter for staff explaining what to do if a member of school community is showing symptoms</p> <p>VJJ/PDH/DRF will liaise with Public health Team</p>	Medium

				<ul style="list-style-type: none"> <input type="checkbox"/> Where staff are living with others and they are the first in the household to have symptoms of coronavirus, then they must stay at home for 7 days, but all other household members who remain well must stay at home and not leave the house for 14 days. The 14-day period starts from the day when the first person in the house became ill <input type="checkbox"/> For anyone else in the household who starts displaying symptoms, they need to stay at home for 7 days from when the symptoms appeared, regardless of what day they are on in the original 14-day isolation period <input type="checkbox"/> Staff must inform the Headteacher if they have symptoms or a member of their household has symptoms. Staff and their family members will be offered test. Staff and parents will be informed if a member of staff has symptoms and advised on the symptoms to look out for. Staff will not be able to return to work until the end of the period of isolation or a negative test result is provided. <input type="checkbox"/> If a member of staff tests positive for COVID-19 they must inform the Headteacher. The Headteacher will take and act on the advice of Public Health/LA. Staff and parents will be informed if a member of staff tests positive and advised on the symptoms to look out for. <input type="checkbox"/> If a member of staff is contacted by the Track and Trace system as they have been in contact with a person who has tested positive for COVID-19 they must inform the Headteacher. They must not attend work for the relevant period of isolation. If they subsequently test positive for COVID-19 they must inform the Headteacher. The Headteacher will take and act on the advice from Public Health/LA <input type="checkbox"/> Students who become ill on site are isolated immediately and parents contacted to collect. If a young person needs to be sent home after exhibiting symptoms, they will be asked to wait in a separate room and allowed to use identified toilet. The toilet will be locked to other school users. <input type="checkbox"/> Such individuals will be monitored by a member of staff. PPE will be available for this member of staff <input type="checkbox"/> After use, the toilet will be cleaned by cleaning or site staff following national PHE guidance on cleaning in non-healthcare premises <input type="checkbox"/> Any siblings living in the same household will also be sent home. <input type="checkbox"/> The school will follow the Cumbria County Council procedure for dealing with known or suspected cases of COVID-19 <input type="checkbox"/> Impact on staff with protected characteristics, and in particular Black, Asian and minority ethnic has been considered. They are being treated as vulnerable and will have individual risk assessments
