

Caldew School

Pupil Premium Expenditure 2012-13

Pupil Premium funding in 2012-13 was received for students who were currently in receipt of Free School Meals or Children Looked After. This funding for Caldew School was £82,800.

The details of how the school used the Pupil Premium to support our students and increase the success of our FSM students are:

Activity / Resources	Intended Impact	Evidence of Impact
Year 7 CLA spelling intervention and Maths booster sessions.	Raise achievement and increase rates of progress	Improved spelling age Increased progress in maths
Year 8 CLA student support for emotional issues by mentor and booster sessions in Maths	Raise achievement and increase rates of progress	Improved motivation. Increased progress in maths
Key Stage 3 literacy and numeracy intervention in Maths and English to achieve early gains in securing three levels of progress, especially in the vulnerable groups of KS2 results of 4c or 5c	Narrowing gaps for FSM students	FSM students are making expected progress
HLTA specialists placed in Core departments of Science, Maths, and English to build specialism and more effective support	Narrowing gaps for FSM students	Higher quality differentiation and support in place in Core subjects
KS4 Mentor to work 1-1 with underachieving students. Focus on revision skills and areas identified by subject teachers.	Narrowing gaps for FSM students	Results Awaited in August 2013
Year 11 Targeted Maths Withdrawal Groups	Narrowing gaps for FSM students	Results Awaited in August 2013
Year 11 Targeted English Withdrawal Groups	Narrowing gaps for FSM students	Results Awaited in August 2013

Year 10 and 11 Controlled Assessment support as identified in subjects.	Narrowing gaps for FSM students	Results Awaited in August 2013
Library Laptops loan scheme investment extended	Access to resources not available at home for FSM students, including broad band access	Lending figure to students to support coursework are high
KS3 reading Intervention Programme	Narrowing gaps for FSM students	Students all showed progress and achieved target reading ages
Transport support for FSM students	Bus passes or Taxi's put into place if and when needed to ensure students can attend school when fiscal pressure	Students attendance maintained so they were able to access curriculum
Support for extracurricular trips for FSM/CLA students	To pay for students to participate in trips such as Skiing, Russian Exchange amongst others	Increased numbers of FSM/CLA students participating in activities.
Uniform support	Purchase of uniform for students on FSM who are unable to buy new uniform to ensure that no students are concerned about their appearance	Poor uniform is identified early and remedial action taken in partnership with parents
Music Tuition	Students who are entitled to Pupil Premium receive either full or 50% subsidy for peripatetic tuition	Increased levels of participation and students taking part in music events and competitions
Hardship fund	Students supported with ICT Software, revision guides and other items.	
Emergent needs as identified during the academic year.....
