

## Caldew School Summer School: 9<sup>th</sup> – 13<sup>th</sup> August 2021

We delivered a Summer School programme to support transition from Year 6 to Year 7, with a blend of academic and enrichment activities, meeting the conditions of the DfE Summer School Programme funding.

### Programme Content:

We used the Summer School Programme Funding to run PET-Xi's Epic Summer which included teaching and learning of Maths and English along with daily enrichment activities. We provided lunches for learners on site to support the programme working alongside PET-Xi teams. Each PET-Xi team comprised a Motivational Lead Trainer, a Maths Expert and an English Expert (subject specialists), and a Support Trainer, and this team works with a group of learners for the whole week. PET-Xi insisted upon high staffing ratios especially for those learners who are new to school or need that bit of extra support.

We were asked to select content from menus designed by PET-Xi's Head of Curriculum to target key areas of the National Curriculum in Maths and English. Doing it this way ensures that our Head of Maths and the Head of English are selecting content and skills specific to our learner requirements and can ensure that activities are successfully integrated into the curriculum. This provided targeted content and resources for 1 ½ hrs of Maths and 1 ½ hrs of English teaching and learning each day, and every session started and ended with a mini confidence test. Enrichment activities included tower-building contests, football, arts and crafts, dodgeball and Aeroplane Olympics.

### Places Delivered:

Monday 9 <sup>th</sup> August	66
Tuesday 10 <sup>th</sup> August	63
Wednesday 11 <sup>th</sup> August	62
Thursday 12 <sup>th</sup> August	58
Friday 13 <sup>th</sup> August	56
Total	305 (average of 61 daily)

### Programme Cost:

PET-Xi Epic Summer Programme (staff and resources)	£16000
Caldew Staffing	£955
Lunch	£900.75
Cleaning	£113.25
<b>Total</b>	<b>£17855.75</b>

(Based on an average fulfilment of 61 places each day at a rate of £597 for a two week place, we could claim a maximum of ½(61x£597) from the Summer School Programme Funding: £18208.50)

**Summary of Impact:** (See full PET-Xi report for more detail)

I think I have thrived. I have made new friends and have got to grips with the school

It helped me to know more about Maths and English and to be more confident. It's also helped me to be more confident working with other people.

I enjoyed making new friends.

It has helped me in English by teaching me vocabulary I did not know.

I feel like I've caught up a bit on all the things I missed in primary school.
